For Teacher’s Resource

Evaluation now becomes an easy task. Test Generator is an online aid for teachers to design examination papers and test papers from extensive pool of questions such as **multiple choice questions, fill ups, short and long answer type questions.**

Great care has been taken to present the e-reader app that has important features for using e-textbooks in the classroom.

**Some functionality of e-book are mentioned below:**

- 1. Flipbook:** If you are facing problems in interaction with e-books, Flipbook feature unites the ease of interaction with the efficiency and increased value offered in today's era of e-reading technology.
- 2. Magnification in/Magnification out:** When you want to get closer to the interactive content, Magnification in/Magnification out option helps you to get a closer look at a high-quality image that deserves a more detailed and deep study.
- 3. Search and Find:** When you want to look at some important words inside the content, Search and Find option helps you to steer straight to the desired words.
- 4. Bookmark:** When you want to add some interesting part as a bookmark, Bookmark feature allows you to add a bookmark and also you can jump to specific bookmarks.
- 5. Thumbnails:** When you want to see every larger image at an instant click without opening it, Thumbnails feature reflects a small image to a large image, thus make it easier and quicker to look and manage a group of large images.

**Web Animation Support** is a single digital teacher resource accompanying **Video Lectures, Online Test Generator, Android App e-book, Lesson plans, Solution key, Live worksheets** and test

**exercises** which makes a healthy and creative learning environment for young readers. To avail this teacher resource use our portal.

 Notebooks & Paper Stationery Manufacturers

To see the interest of the students towards the notebook, we are presenting the five variants including notebooks, long notebooks, practical books, drawing books and graph books. We focused on the design elements of notebooks. Each notebook has a theme on the cover. Our notebooks are said to use Ozone-treated, Elemental Chlorine Free Paper which has lesser use of chemicals in bleaching stage. Ozone treatment of paper before bleaching process improves paper quality and shelf life. We attempt to create an environment for them to learn and grow in, as they write their own futures, encouraging them to, 'Aao Shikshit Bane!'
