दीपिका व्याकरण

हिंदी व्याकरण अभ्यास-पुस्तिका

व्याकरण की प्रस्तुत पुस्तकमाला 'दीपिका व्याकरण' में विषय को कक्षाानुसार व विद्यार्थियों के बौद्धिक स्तर के अनुरूप प्रस्तुत करने का प्रयास किया गया है। विषय को सरल व रोचक बनाने के लिए सरल उदाहरणों, दृष्टांतों तथा सुंदर, आकर्षक व प्रसंगानुकूल चित्रों की सहायता ली गई है। व्याकरण को प्रायः जटिल विषय मानकर विद्यार्थी वर्ग उससे दूर रहने की चेष्टा करता है, परंतु इसमें सभी जटिल प्रसंगों को सरल रूप में प्रस्तुत किया गया है। साथ ही भाषाई-रचना के लिए विविध प्रकार की सामग्री जुटाई गई है। यह सभी सामग्री पुस्तकमाला के रचना खंड में व्यवस्थित है एवं प्रत्येक दृष्टि से उत्कृष्ट, बोधगम्य व उपयोगी बनाने का यथासंभव प्रयास किया गया है।

Online Test Generator

Evaluation now becomes an easy task. Test Generator is an online aid for teachers to design examination papers and test papers from extensive pool of questions such as **multiple choice questions, fill ups, short and long answer type questions.**

Great care has been taken to present the e-reader app that has important features for using e-textbooks in the classroom.

Some functionality of e-book are mentioned below:

- 1. Flipbook:** If you are facing problems in interaction with e-books, Flipbook feature unites the ease of interaction with the efficiency and increased value offered in today's era of e-reading technology.
- 2. Magnification in/Magnification out:** When you want to get closer to the interactive content, Magnification in/Magnification out option helps you to get a closer look at a high-quality image that deserves a more detailed and deep study.
- 3. Search and Find:** When you want to look at some important words inside the content, Search and Find option helps you to steer straight to the desired words.
- 4. Bookmark:** When you want to add some interesting part as a bookmark, Bookmark feature allows you to add a bookmark and also you can jump to specific bookmarks.
- 5. Thumbnails:** When you want to see every larger image at an instant click without opening it, Thumbnails feature reflects a small image to a large image, thus make it easier and quicker to look and manage a group of large images.

To see the interest of the students towards the notebook, we are presenting the five variants including notebooks, long books, practical books, drawing books and graph books. We focused on the design elements of notebooks. Each notebook has a theme on the cover. Our notebooks are said to use Ozone-treated, Elemental Chlorine Free Paper which has lesser use of chemicals in bleaching stage. Ozone treatment of paper before bleaching process improves paper quality and shelf life. We attempt to create an environment for them to learn and grow in, as they write their own futures, encouraging them to, 'Aao Shikshit Bane!'
